Please choose a product area from the list below. The files are in PDF (Portable Document Format) and are taken from our current catalogue (Spring / Summer 2006). Alternatively, you can download the entire catalogue but please note that this is a large download best suited to those that have broadband and a reasonably fast PC.

- Cable & Accessories (pages 3-8)

- Wiring Accessories (pages 9-18)

- Consumer Units, 3 Phase & Switchgear (pages 19-21)

- Miscellaneous (pages 22-25)

- Heating (pages 26-29)

- Showers (page 30)
- Security (pages 31-41)

- Door Entry (pages 42-44)

- Ventilation (pages 45-48)

- Trunking (pages 49-55)

- Lamps (pages 56-58)

- TV & Satellite, Communications (pages 59-60)

- Lighting (pages 61-78)
- Tools (pages 79-83)

- Entire catalogue (pages 1-84)
