This month we're showcasing two new products - the Emergency Lighting Log Book and the Fire Alarm Log Book. [Click here](#) for more information.

The Regulatory Reform (Fire Safety) Order 2005 demands that all premises keep a record of testing and maintenance on their emergency lighting and fire alarm systems. To address this, we have the following two new stock items:

Emergency Lighting Log Book: £8.99

Fire Alarm Log Book: £12.99

To place an order, call us on 0161 877 2747, fax us on 0161 877 2946 or email us using sales@traffordelectrical.co.uk.

You can also use our [online enquiry form](#).
